

WHAT'S A FELFIE!?

A 'Felfie' is any selfie taken in the beautiful, unique setting of a local farm.

This phenomenon is sweeping across South Western Ontario, especially in the farm rich lands of Wellington County. Many consider it the greatest thing since (homemade) sliced bread.

To be a part it, all you have to do is share your felfie using @tastereal and the hashtags #tastereal and #SpringRomp16. The best photos will have a chance to win a fantastic Taste Real goodies basket or gift certificate.
